Dear Mr. Jaffe,

I am a member of PETA and I support the petition to ban the forced molting of layer hens (docket 98-0203/CP). I read up on the whole procedure of forced molting, I became sad. In 1987, Great Britain the molting was banned. Hens do get fed within 24 hours and not after. For this reason, I refuse to eat eggs. My mother supports me and the cause.

Sincerely,

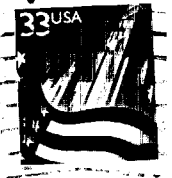

Katrina Schlothauer
